

Banquet Session Package

Hello, and thank you for showing interest in my services for your pictures for the 2011 college banquet. I hope you will not be disappointed in what you see. I am hoping to schedule an 2-hour session on March 18, 2011, depending on availability of time. We will use all time from our arrival at Ault Park, until we would need to leave for the banquet.

Additional information is provided below regarding pricing, and other information. Please take note that prints are no longer to be printed from the CD. Images on the CD are designed specifically for computer use, if you take them to get developed at places such as Walmart, the images could look distorted (possibly pixilated) and important parts in the pictures could be cut out (Heads, arms, etc.).

Because of this, you will be able to order prints of your photos through me; I will be purchasing a proof album for you to look through so you can order your photos. Money for your photos needs to be paid within ten days of your order so I can order the prints, I will be ordering in bulk so there will be a cutoff date for payment, if the order is not paid for by the date set then your order will not be placed.

Once again, I would like to thank you for considering me. I ask that should you decide to schedule pictures during the banquet session that you please message me here on facebook, or email me at toshamccrary@gmail.com on or before Saturday, March 12, 2011. I need this information by that point so that I can plan specifics of the session itself; after that point if you wish to participate in the session the price goes up \$5.00 more per person.
