

# Gift Webs

Christmas is a big time for gift-giving. Do you know why? It's because the wise men (kings) from the East brought gifts to Jesus to celebrate that very first Christmas when Jesus was born. Now we give gifts to each other.

The wise men brought gifts of gold, of incense, of myrrh.

Of what does the gift of gold remind you? We've written the word gold in the center of a web.

We've put some ideas about gold around the web, too.

- Finish the web with your own ideas about the gift of gold.
- What gift would you like to give Jesus? Write your gift in the center of the other web.
- Put ideas about your gift all around the web.
