****All students will need a copy of Catholic High School Entrance Exams (6th edition) by Kaplan (ISBN 978-141-955-3615). This book can be found online at Amazon or Barnes and Noble (Newport on the Levee). Barnes and Noble's price is \$19.00. Amazon's online price is \$13.98 plus shipping. I would be happy to get a copy of the book for you for \$20 (I will need to know this at least a week before your scheduled class).**

To register, please email angheis@fuse.net or call 477-4531

Checks (made out to Angie Heisel) can be mailed to the above address. Your spot will be held once your check is received.

I anticipate classes will fill up fast. I would like to keep class sizes to eight students.
