

ISKCON AGRICULTURE & COW
PROTECTION MINISTRY INVITES
YOU TO THE

1st North American FARM CONFERENCE

Gita Nagari Farm, Pennsylvania, USA

FOR THE *FARM* DWELLERS

The residents of Farm Communities have an important service to render within their own communities – focusing on their own spiritual development through strong sadhana and healthy relationships, dedicated service to the cows and land, and being content with a simple life.

FOR THE *CITY*DWELLERS

The residents in the Cities have important services to render – developing a strong spiritual nucleus, compassionately distributing Krsna Conscious literature and inviting everyone to be part of a vibrant spiritual culture.
