**Re:** EMAS Early Bird Certificate

Dear Mr Madjunkov,

The European Commission would like to congratulate you on your achievements in being one of the first and longest EMAS registered organisations in your country!

An international conference was held at the European Central Bank (ECB) premises in Frankfurt/Main on 13 November 2015. This high-profile event followed the theme “20 years of premium environmental management - High Level Conference on EMAS: learning from front runners, promoting best practices, and exploiting the full potential of green growth” and honoured the pioneering organisations who were among the first in their country to register under EMAS. I invite you to consult the content of the conference at [http://ec.europa.eu/environment/emas/index\\_en.htm](http://ec.europa.eu/environment/emas/index_en.htm). Please note that in early 2016, the European Commission will publish a brochure based on the discussions and learnings of this high-profile event.

We highly value the leading efforts of national pioneers in implementing EMAS – such as your organization. Please accept this EMAS certificate recognizing your long-term commitment to EMAS.

I look forward to many more years of fruitful cooperation with your organisation at our side!

Yours sincerely,

*(e-signed)*
