

## Verizon Early-Termination Policy

| Month | Money Taken Off | Early Termination Cost |
|-------|-----------------|------------------------|
| 1     | \$0             | \$350                  |
| 2     | \$0             | \$350                  |
| 3     | \$0             | \$350                  |
| 4     | \$0             | \$350                  |
| 5     | \$0             | \$350                  |
| 6     | \$0             | \$350                  |
| 7     | \$0             | \$350                  |
| 8     | \$10            | \$340                  |
| 9     | \$10            | \$330                  |
| 10    | \$10            | \$320                  |
| 11    | \$10            | \$310                  |
| 12    | \$10            | \$300                  |
| 13    | \$10            | \$290                  |
| 14    | \$10            | \$280                  |
| 15    | \$10            | \$270                  |
| 16    | \$10            | \$260                  |
| 17    | \$10            | \$250                  |
| 18    | \$10            | \$240                  |
| 19    | \$20            | \$220                  |
| 20    | \$20            | \$200                  |
| 21    | \$20            | \$180                  |
| 22    | \$20            | \$160                  |
| 23    | \$20            | \$140                  |
| 24    | \$60            | \$80                   |

This document was created under the understanding of Verizon's posted Early Termination Policy, [found here](#).
