

INNER ENGINEERING

Technologies for Wellbeing

“As there is a physical science and technology to create external wellbeing, there is a whole dimension of inner science to create inner wellbeing.”

Sadhguru

Inner Engineering gives you the opportunity to intellectually explore the basics of life using methods from the distilled essence of yogic sciences. The course imparts practical wisdom and powerful yogic practices to manage your body, mind, emotions, and the fundamental life energy within.

Inner Engineering is designed by a yogi, visionary and one of the foremost authorities on yoga.
