

A network diagram consisting of a central node and three outgoing dashed arrows. The central node is a small grey square with a white circle inside, containing the text 'graphic designer' and an arrow pointing to the right. Three dashed grey lines extend from the central node: one pointing left, one pointing up and right, and one pointing down and right. The text 'CONNOR HANNAN' is positioned to the right of the central node, with 'CONNOR' in blue and 'HANNAN' in dark blue. The text is tilted upwards to the right.

THOROUGHBRED ADS

Thoroughbred ads I've created while working with PM Advertising. PM specializes in the thoroughbred industry with some of the most prestigious thoroughbred farms in the nation.

THOROUGHBRED LOGOS

Logos are my favorite type of design. It gives my client an identity that helps them get recognized in their field.

PAINTBALL JERSEY DESIGN

Here I've combined two of my passions into one. I have been playing paintball competitively since I was 14. Over the past few years, I have made friends and contacts in the sport that have helped me become more visible in the industry and have made me the go-to artist for multiple companies. I've done designs for over 100 teams and colleges across the country.

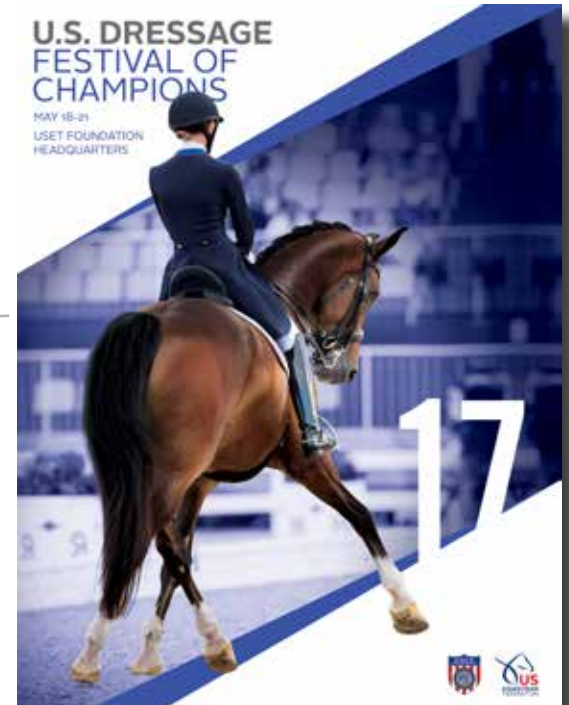

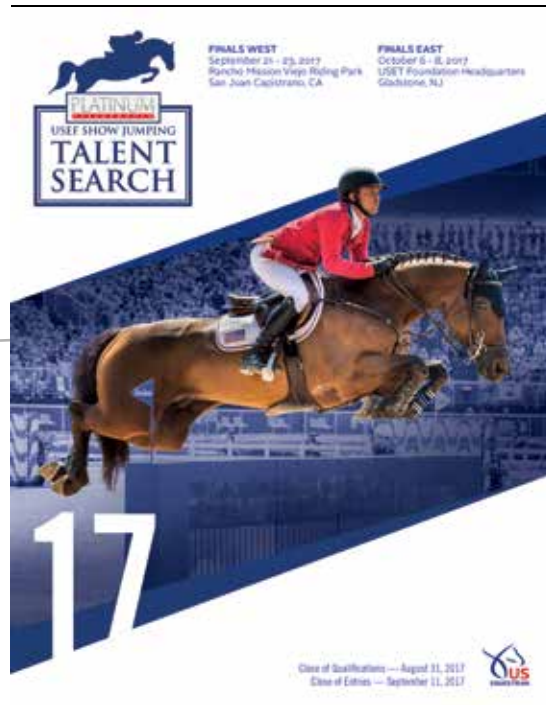

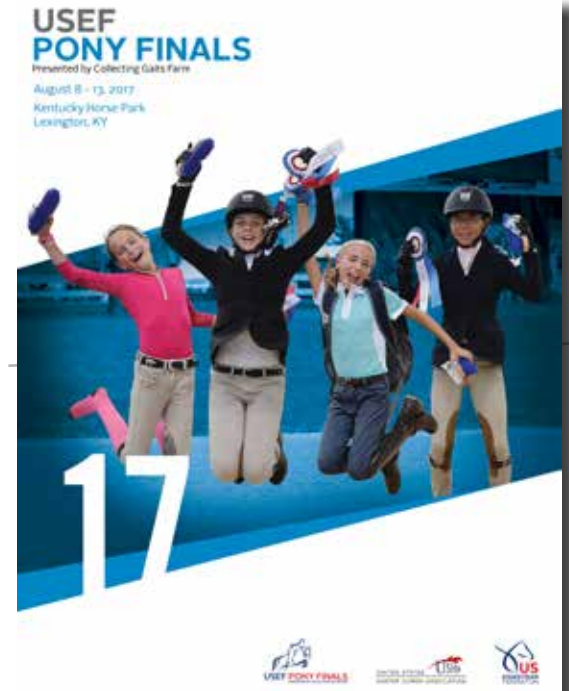

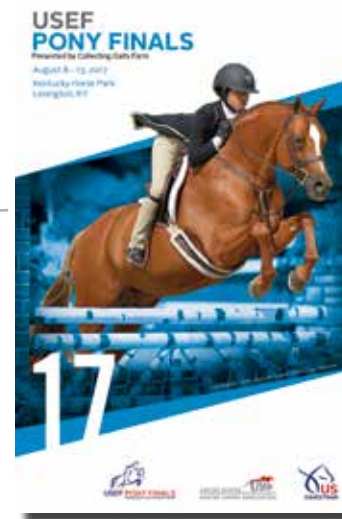

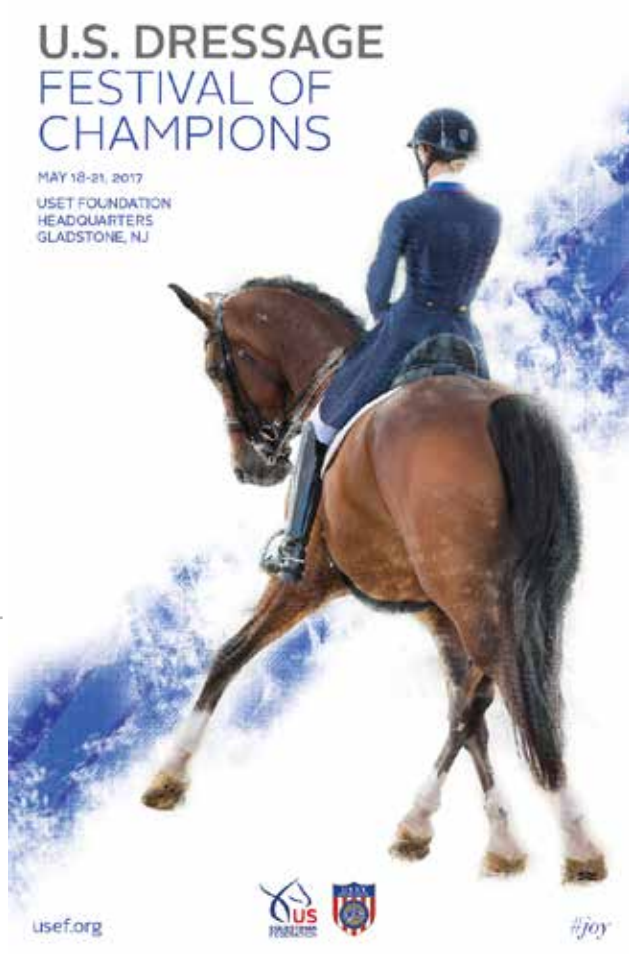

THOROUGHBLADES CONCEPT DESIGN

A group of people created an organization called the Lexington Professional Hockey Club. After winning a logo design contest for the newly founded group, I created a concept design to help them achieve their goal in resurrecting the Lexington Thoroughblades.

US EQUESTRIAN FEDERATION

While I worked at the US Equestrian Federation, I was able to create multiple types of design through various disciplines in the sport horse industry. One of my main responsibilities was creating a cover concept to be implemented across all the disciplines for the 2017 events.

PHOTOGRAPHY

About a year ago I started getting into photography. Most of my work I've done so far has been recreational photoshoots at the Keeneland Race Track and various sport horse events.

THANK YOU FOR YOUR TIME!
