MASONLITE DUBAI

Pioneers in the field of signage, Masonlite was established in 1980 in Dubai, UAE. We take immense pride as we contribute to the signage industry across various parts of the world.

Masonite is serving the sign industry since 1980 (37 years)

- Masonlite started way back in 1980. We took up franchise "MASONLITE" neon products way back in 1980 for the Gulf Region.
- There began our journey in trading neon products and slowly we diversified into other fields as the demand in the Middle East.

37+
YEARS

We are pioneers in trading of sign equipment and supplies in Gulf, parts of Africa, CIS & its republics etc. We trade in all kinds of sign material & equipment, but it is the field of LED, acrylic, printing, training, etc.

PIONEERS IN THE FIELD OF SIGNAGE

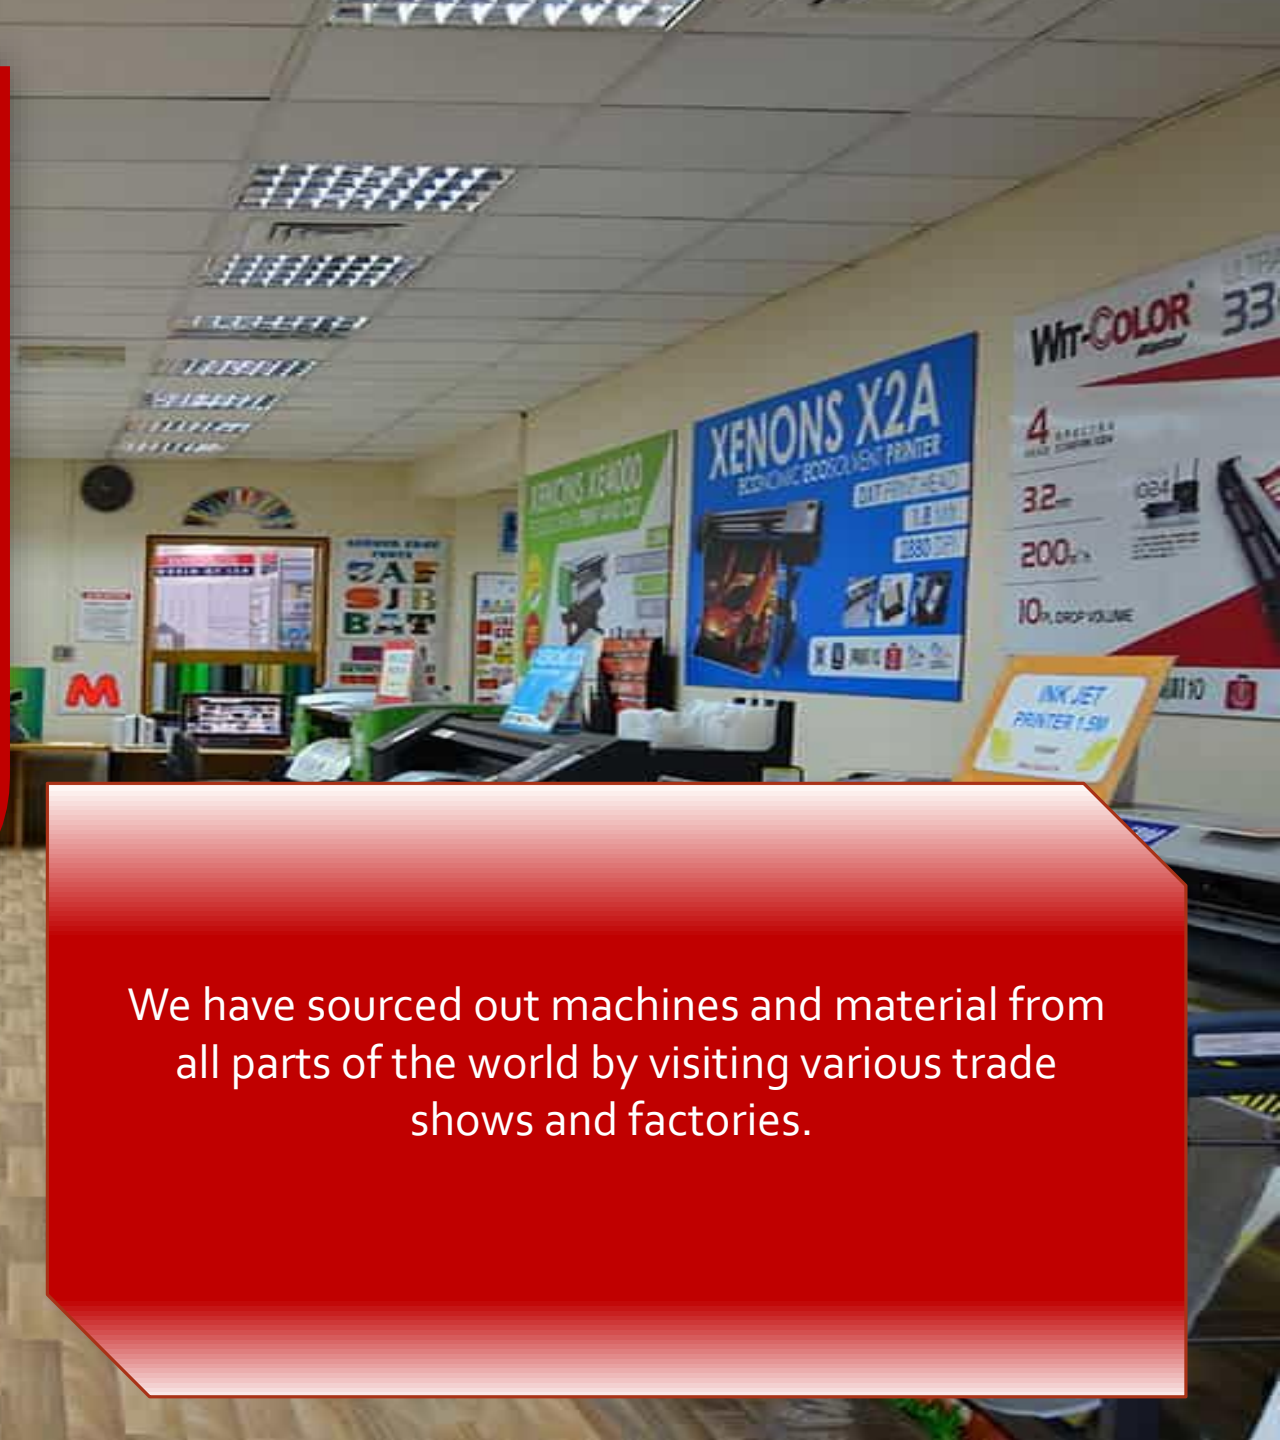

One Stop Shop for Sign Supplies, Machines & Displays

Masonlite since its inception in 1980 has strived to introduce the technology to gulf & neighbouring countries. With the digital signage playing an important role in this modern times, we have introduced Korean technology LCD screens.

MASONLITE SHOWROOM

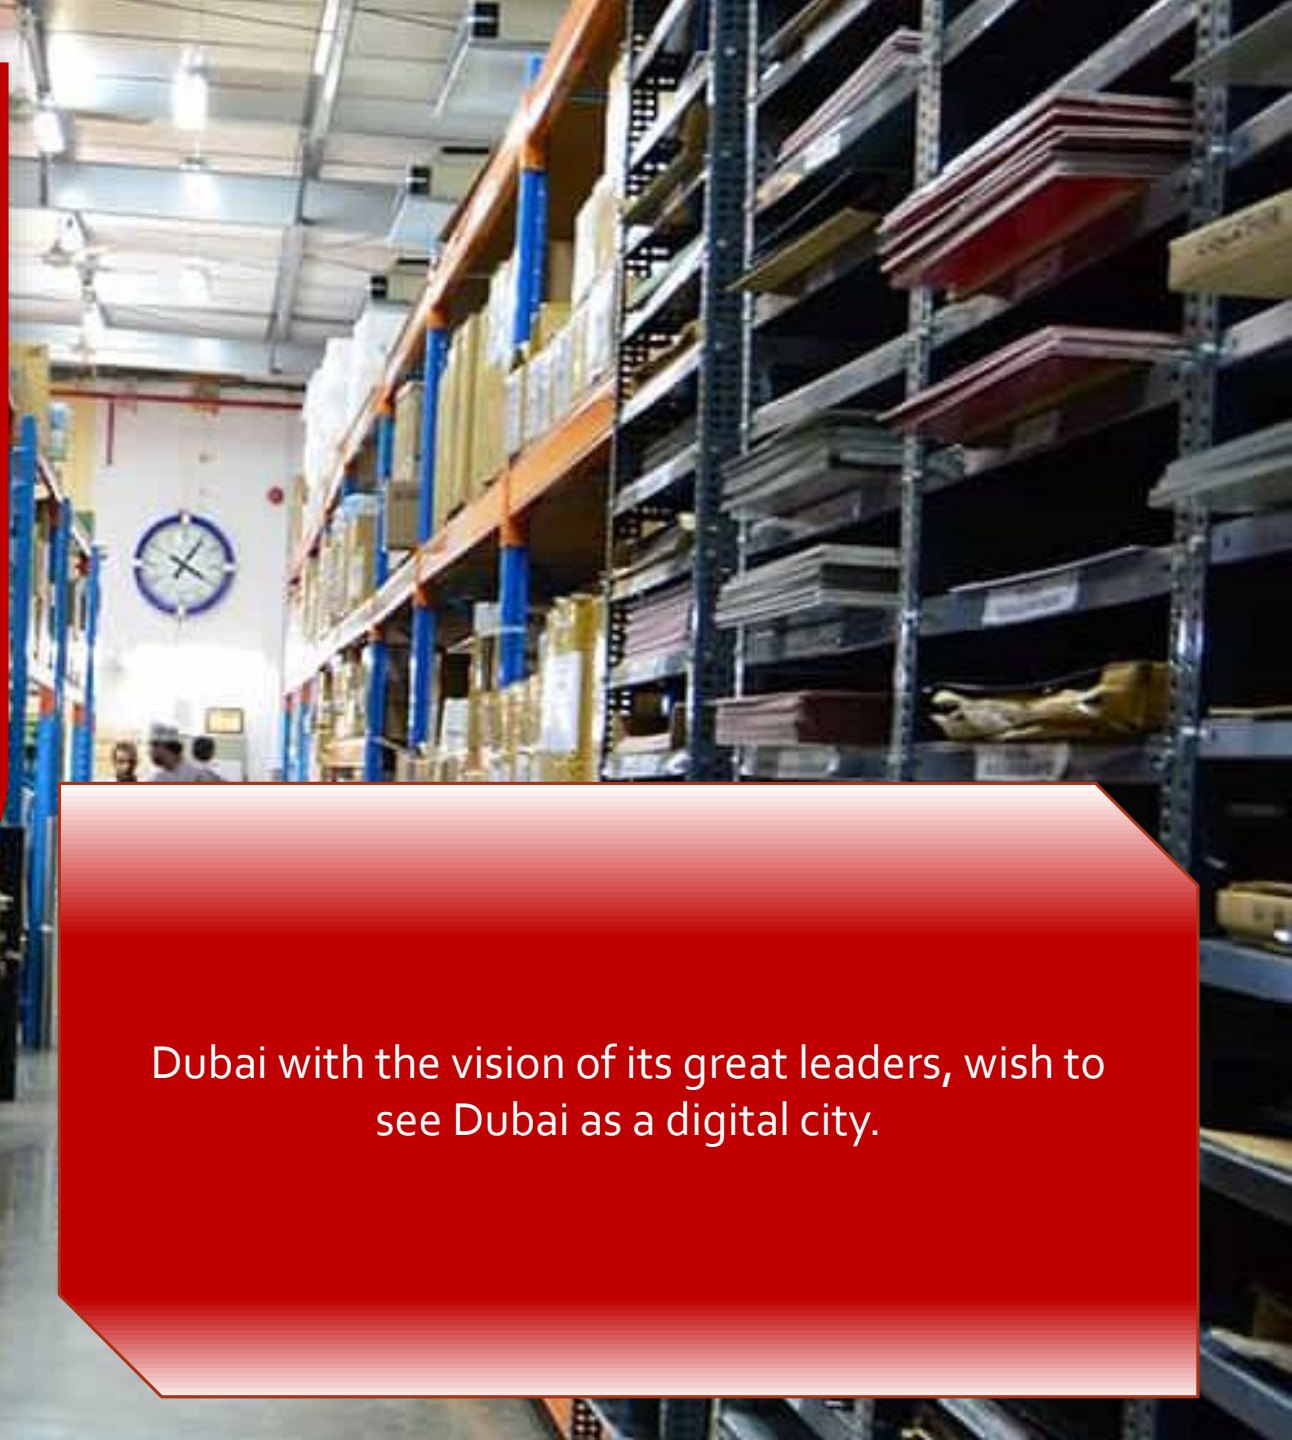

We have our showroom at Deira, Dubai in the heart of the city with all kinds of displays for retail marketing and equipment under one roof.

We have sourced out machines and material from all parts of the world by visiting various trade shows and factories.

With digital signage being the future, Masonlite has introduced Korean LCD & LED screens for indoor & outdoor purpose.

Dubai with the vision of its great leaders, wish to see Dubai as a digital city.
