

FINALLY, 2021 IS THE YEAR

Around April 2008, I was in a dream and I was holding a newspaper with headline, "Angela Merkel will be in trouble in . . . ber". I didn't see the year because as soon as I sighted the headline, I suffered severe demonic attack, which woke me up from the dream. After I woke up from the dream, I didn't write down the month in the dream in which Angela Merkel will be in trouble. After some years passed since the dream, I could no longer be sure whether the month that I saw in the dream was September or October. For some time, I assumed that it should be October, but recently, Angela Merkel stepped down as the leader of her party, to make way for a new person to run for German Chancellor under her party. Next German chancellorship election will be on September 26, 2021. It therefore dawned on me that what I saw in the 2008 dream is "Angela Merkel will be in trouble in September".

Following are my predictions of some biblical events that will happen in 2021.

The first seal of Revelation 6. Jesus Christ will open the first seal on the first day of the first month of the ancient Hebrew calendar. Unfortunately, the modern Jewish calendar is out of phase with the ancient Hebrew calendar by 2 months. The first day of the first month of the ancient Hebrew calendar in 2021 is by new moon of May. The opening of the first seal will lead to end-time angels coming into the world and begin to seal the 144,000 elects of Israel.

The second seal of Revelation 6. Jesus Christ will open the second seal on the first day of the second month of the ancient Hebrew calendar. The first day of the second month is by new moon of June. Major wars will break out in some parts of the world.

The third seal of Revelation 6. Jesus Christ will open the third seal on the first day of the third month of the ancient Hebrew calendar. The first day of the third month is by new moon of July. There will be serious famine in some parts of the world.

The fourth seal of Revelation 6. Jesus Christ will open the fourth seal on the first day of the fourth month of the ancient Hebrew calendar. The first day of the fourth month is by new moon of August. World War III will break out. World War III will not last long and will bring to an end the current world order.

The fifth seal of Revelation 6. Jesus Christ will open the fifth seal on the first day of the fifth month of the ancient Hebrew calendar. The first day of the fifth month is by new moon of September. The dragon of Revelation 12 will come into the world, together with all his angels, and begin the establishment of a new world order. It is at this point in time that Angela Merkel will be in trouble. True followers of Jesus Christ will face great persecution.

The sixth seal of Revelation 6. Jesus Christ will open the sixth seal on the first day of the sixth month of the ancient Hebrew calendar. The first day of the sixth month is by new moon of October. There will be a great earthquake.

The seventh seal of Revelation 6. Jesus Christ will open the seventh seal on the first day of the seventh month of the ancient Hebrew calendar. The first day of the seventh month is by new moon of November. Adoption of the sons of God will take place, as sons of God transform from mortal to immortality. Rapture takes place in this month.
